

# Travelling to Great Britain

Урок английского языка  
в 6 классе

Учитель: Роженцова О.В.  
МБОУ «Куженерская СОШ №2»

# Phonetic exercise

[w], [ʃ], [r], [u:]

# The United Kingdom of Great Britain and Northern Ireland

# London

London is the capital of Great Britain. It **stands** on the river Thames. Many years ago London **was** a small town. There **were** a lot of villages round it and after many years London and three hundred villages **grew** into a very large city. Now London **is** a political, economic and cultural centre. It is one of the biggest cities in the world. About 10 million people **live** there.
