This land is your land and my land,
From California to the New York

From the redwood forest ,to the Gulf
Stream waters
This land was made for you and me .

The poem

In my country we are happy,
In my country we are happier,
In my country we are the happiest of all.

In my country we are friendly,
In my country we are friendlier,
In my country we are friendliest of all.

My country, your country,
Travel East or West,
If the North is good,
The South is better;
What land is the best?!
